DAY FOR LIFE is the day in the Church's year dedicated to raising awareness about the meaning and value of human life at every stage and in every condition. The theme is *Hope does not Disappoint: Finding meaning in Suffering*. St Paul invites us to see that Christian hope is not just naïve optimism but, rather, an unshakeable trust in the power and presence of God who is with us always. This hope can endure the darkness of human suffering and even see beyond it.

Suffering touches every person at some point in their lives. It is often associated with illness, grief, and loss. It is not only caused by physical pain but includes emotional suffering as well as 'soul pain', such as depression and despair. Christians are not immune to this mystery, and we often struggle to know how best to respond to it, and where we can find hope.

There is a retiring collection this weekend for Life Charities to support this work.

*May God's blessing be with you and
all your family this week.*

Prayer of the Jubilee Year of Hope

Father in heaven, may the *faith* you have given us in your son, Jesus Christ, our brother, and the flame of *charity* enkindled in our hearts by the Holy Spirit, reawaken in us the blessed *hope* for the coming of your Kingdom.

May your grace transform us into tireless cultivators of the seeds of the Gospel. May those seeds transform from within both humanity and the whole cosmos in the sure expectation of a new heaven and a new earth, when, with the powers of Evil vanquished, your glory will shine eternally.

May the grace of the Jubilee reawaken in us, *Pilgrims of Hope*, a yearning for the treasures of heaven. May that same grace spread the joy and peace of our Redeemer throughout the earth. To you our God, eternally blessed, be glory and praise for ever. Amen
