Experiment in International Living UK

Could you lay an extra place at your table this Christmas for an international student? Each year the charity EIL UK receives hundreds of applications from international students studying at British universities hoping to experience Christmas or New Year in a British home. If you could offer friendship and host an overseas university student for a 3-night stay between 24th and 27th December, drop us a line at host@eiluk.org to find out more about this rich and rewarding experience and how you can be part of the HOST UK programme.
