Parish priest's Easter message.

The Easter message of joy echoes through the whole world proclaiming Christ's ultimate victory of light over darkness, grace over sin, and life over death. It is the message upon which we build our lives and to which we anchor our own hope of victory with him. During this solemn Easter season of 50-days we joyfully give thanks to God for the many blessings bestowed on us as individuals and as a faith community these many years. Because Jesus has died and risen again, conquering sin and death, we believe that with him we too shall live. In this spirit of faith and hope, I wish you and your families a most holy and blessed Easter Season!

Christ is Risen. Risen, Indeed!

May you experience in your life the JOY of Easter. Enough of sadness. Enough of troubles. Enough of illness. Enough of stress. Enough of worries. Let the JOY of the Resurrection mingle with your tears, your concerns, your pain so that in your life you may know Easter JOY.

May the resurrection of Jesus give more meaning to our lives lived in loving service to others and for others.

I take this opportunity to say a big thank you to all who worked so hard with great dedication this last week and throughout the year especially the choir, musicians, servers, readers, ministers, flower arrangers, counters, all the members of the committees, volunteers, and to each one of you who supports the parish in many other ways. *Fr. Peter*
